**The Lodge at Whitefish Lake's all new Viking Lodge** is located east of the main Lodge on the Viking Creek Preserve and connected by a sky bridge over Wisconsin Avenue. The Viking Creek Preserve, donated to the town of Whitefish by the Averill family, is a 30-acre nature preserve managed by the Whitefish Lake Institute with nature trails and information plaques throughout. Guests can enjoy views of the preserve from their rooms and enjoy watching wildlife as they frequently pass through.

The Viking Lodge has its own main entrance and parking lot, with space for buses, or guests can use valet parking and walk across the sky bridge. A group ski locker and common changing area is conveniently located just inside the main entrance of the Viking Lodge while the lobby includes a comfortable lounge area with fireplace, flat screen televisions, and an unmanned bar for guests to use at their leisure. Viking lodge guests have their own outdoor patio area with an oversized hot tub an seating area overlooking the preserve.

Viking Lodge rooms are approximately 400 square feet with either king beds or 2 queen bed configurations and feature a fireplace, flat screen HDTV, mini fridge, microwave as well as a four piece bathroom with walk-in slated showers and granite counter tops.
