**Whistler**

Nestled in the spectacular Coast Mountains of British Columbia, just 75 miles north of Vancouver, lie Whistler Village, a charming alpine village located at the foot of greater Whistler and Blackcomb Mountains. It begins with a breathtaking view of the mountain toppling like curlicues on an endless natural stage. Come to a magical place that mixes charm with science and natural beauty with warm hospitality. It offers a diverse range of activities and attractions for all ages and interests. Consistently ranked the number one mountain resort in North America, Whistler features two spectacular mountains, epic skiing and snowboarding conditions, more than 200 shops, as well as over 90 restaurants and bars and Whistler was the host to the 2010 Winter Olympic Games and Paralympics. Whistler and Blackcomb’s 18-kilometer network of groomed trails offers vertical drop and longest paved terrain in North America. Skiers and riders choose from over 200 runs, over 1,000 vertical feet, 12 massive alpine bowls, and more than 110 km of terrain catering to all ability levels.

Try some aerial sightseeing, snowmobiling, ziplining, or any other number of outdoor adventures. But Whistler is not just for outdoor adventures and après sports, this town is full of arts and culture and plenty of shopping opportunities.
