Hershey Lodge: Relax by one of three pools, challenge your family to a game of one of four restaurants or enjoy a meal at one of four restaurants or all while discovering friendly service in every detail. For kids, there are special touchers such as their own check-in desk, a children’s corner and special seasonal activities.

CAMPANELLATIONS: Cancellations of room reservations accepted without penalty until five days prior to arrival. If you have a block of rooms for seminar participants. Once this block is solid, rooms are available upon availability and may be at a higher rate. To make reservations, contact Universal Travel at (858) 496-7387 or visit www.nwas.com/courses.

HOTEL RATES: A portion of the room rate is used to partially offset the costs of refreshments served during the meeting for participants only.

Standard Room: $255
Daily: 1 night
Nightly: 2+ nights
Single/double occupancy plus 11% tax.

DEPOSIT REQUIREMENTS: First night deposit plus tax within 10 days of booking to hold your room. This is non-refundable and non-transferable until deposit received.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kaitie Killeher.

**Advance registration is closed.**

**Hershey begins as a town that chocolate built but has become a recent destination featuring the latest and greatest in family entertainment. Experience Hershey’s world-class theme parks with more than 60 thrilling rides and attractions. Known as the “Queenest and greenest” destination in America, Hershey is the perfect place to get away from it all with a calendar packed full of concerts, Broadway shows, events, and activities.**

Relax in the Chocolate Spa, explore a botanical garden for children, and tour a museum that tells the story of the world’s most beloved treat, Hershey’s. Learn how chocolate is made on Hershey’s Great American Chocolate Tour and even help operate an actual Hershey’s Krome Kettle packing line at the Hershey Factory Store. See over 200 fascinating animals from the Field-Bosch America Wildlife Collection.

If you love shopping, you’ll find everything from chocolate and outlet stores, to fine jewelry and souvenirs. Whether golf is your passion or just a leisurely pastime, Hershey features a variety of courses for all ages and levels of play.

Hershey’s location is ideal for exciting day trips to the many cultural, historical, educational, and recreational attractions in nearby Hershey, Gettysburg, Dillsburg, and Lancaster. If you’ve never been there, you owe it to yourself to visit the nation’s heart in Pennsylvania. It’s just 30 minutes from Hershey, but it is a world apart. In a land of farms and fields, the Amish still live without electricity and use mules to plow some of the most beautiful and productive farm land in America.

Lancaster is also home to Dutch Wonderland Family Entertainment Complex. Just 45 minutes south of Hershey is the hallowed ground of Gettysburg National Military Park, site of the Civil War’s most decisive battle. Fascinating tours, exhibits, special events, and programs bring history to life for visitors of all ages and old.

**SCHEDULE:**

**Thursday, August 16**

0700 – Registration – Mandatory Sign In – Continental Breakfast
0730 – Preop Assessment: What Do You Really Need? E.Frost
0800 – Current Thinking in Neuroanesthesia E.Frost
0900 – Pediatric Neuroanesthesia R.Bryskin

**FACULTY**

Robert B. Bryskin, MD
Pediatric Anesthesiologist
Nemours Children’s Clinic
Wolffson Children’s Hospital
Jacksonville, Florida

Elizabeth Frost, MD
Professor of Anesthesiology
Mount Sinai Medical Center
New York, New York

Ron E. Samet, MD
Assistant Professor, Department of Anesthesiology
Acute Pain and Regional Anesthesia Division
D. Adams Cowley Shock Trauma Center
Baltimore, Maryland

**MARKET TARGET:**

- Physicians
- Medical professionals
- Medical students
- Certified Registered Nurse Anesthetists
- Certified Registered Respiratory Therapists
- Medical assistants
- Medical secretaries
- Pharmacists
- Opticians
- Physical therapists
- Radiologists
- Social workers
- Respiratory therapists
- Other healthcare professionals

**OBJECTIVES:**

At the conclusion of this activity, the participant will be able to:

- Apply pharmacological agents, and procedures necessary for the provision of quality patient care;
- Discuss the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and so on.
- Define the role of the anesthesiologist in the delivery of anesthesia and related services inherent in the anesthesia profession;
- Understanding the influences of pharmacology and pharmacokinetics on the practice of anesthesiology;
- Manage self and colleagues to function toward common goals in the critical setting, the communication of information and the ongoing education of the practicing professional.
- Identify the pertinent physical and behavioral sciences to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and so on.

**SCHEDULE AND FACULTY CHANGES:**

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If any changes are necessary, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

**PAYMENT METHODS:**

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

**SCHEDULE AND FEE CHANGES:**

Fees are subject to change without notice. Fee changes, if any, are subject to any changes in the schedule or faculty. If any changes are necessary, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

**COURSE CANCELLATION BY PROVIDER:**

We reserve the right to cancel a course for any reason. In such cases, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and MALT will not be responsible for any non-refundable hotel, airfare, or travel insurance charges. We highly recommend purchase of travel insurance. Travel at your own risk.

**COURSE CANCELLATION FEES:**

A 15% late fee will be applied to all tuition paid after July 17, 2016. No refund after July 17, 2016. However, 100% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. Cancellations must be made in writing.

**FAP (FREQUENT ATTENDEE POINTS):**

FAP points are awarded based on 25% of dollars spent with NWAS including net tuition paid. An FAP point can be redeemed for tuition for another NWAS program within the next 12 months. Footnotes:**
