include air conditioner, small refrigerator, safe, hairdryer, iron/board, coffee maker, less elegance of The Buccaneer. Each room features a private patio or balcony for oldies, art classes, nightly entertainment, and a shopping arcade.

St. Croix is the largest of the U.S. Virgin Islands, and an easy flight from the U.S. mainland. Prices here in U.S. dollars, and English is the common language. St. Croix is located in the heart of paradise, east of Puerto Rico, and just 40 miles southwest of St. Thomas’ sister islands of St. John and St. George. gorgeous sunshine, temperatures in the low 80s, and warm waters in stunning shades of blue await you. The dynamic history is embodied by the ruins of sugar plantations scattered on hillsides and two charming Danish colonial towns. Shops and art stands display dazzling wares created on the island. Water sports low-tide wading in the sand or star-gazing in the low 80s, and warm waters in stunning shades of blue await you.
