

## **NBCRNA/CPC Information**

### **Will I be able to attend NWAS/NWS meetings with these new requirements?**

Yes! Beginning in 2016, all Northwest Anesthesia Seminars/Northwest Seminars programs (including ACLS/PALS, EKG, and Ophthalmic Block workshops) are designed to meet requirements for Class A CE credit. Details about this process will be announced by NWAS/NWS staff at the beginning of each program. Once programs are approved by AANA, this will be indicated for each specific program, and clients will be able to use these CE credits to meet NBCRNA / CPC recertification requirements.

Unique solution ID: #1051
