## **Do you report to the District of Columbia, Florida, Georgia Boards of Nursing and South Carolina Board of Nursing or CE Broker?**

We do report to the District of Columbia, Florida, Georgia Boards of Nursing, and South Carolina Board of Nursing through CE Broker. This is done electronically after the completion of the program, as long as we have your District of Columbia, Florida, Georgia or South Carolina license number in our system. You just need to make sure that the information is on the sign in sheets at the time of the conference. If we do not have your license number, we cannot report to CE Broker.
