Certified Registered Nurse Anesthetists / AANA

Our programs are submitted for prior approval by the American Association of Nurse Anesthesiology (AANA).

Please refer to the specific program on our [website](#) for CEC approval information. Once approved by the AANA, programs will indicate the AANA Code and number of Class A CEC offered.

Our programs are NOT approved for AANA pharmacology credit. However, we do designate pharmacology hours on attendance certificates which can be used to fulfill pharmacology continuing education requirements of state nursing boards.
